## Staying and accommodation

Dulcamara is an organic farm in the middle of the Gessi Bolognesi e Calanchi dell'Abbadessa natural park, just 15 km far from Bologna.

### Accommodation

Dulcamara is an organic holiday farm located in a very quiet place on the hills surrounding Bologna and in the middle of a natural park. All the activities will be held in the farm structures. Some of the staying will be in b&b very close to the farm.

There is a very good full vegetarian restaurant in the holiday farm where all the meals will be served during the seminar. A good part of the food is produced directly by the farm itself. We believe it to be a very good place to practice martial arts and stay apart from everyday life's disturbing noise.
